

Professional Legal Management Week (PLMW), held October 3-7, 2005, provides a forum for recognizing those in legal management for what they do and the role they play in the success of the organization, and in its service to its clients and those who work in the organization. The objectives are to provide awareness, understanding and education about the legal management profession, and to increase knowledge of the diverse roles within the profession.

Sponsoring associations in the Bay Area are pleased to provide a social forum for professionals in the area to network and learn from each other in a casual setting.

Please join us for a cocktail reception on **October 5, 2005 from 5:30 – 7:30 p.m. at MacArthur Park Restaurant, 607 Front Street (www.macpark.com)**.
