Ms. Tricia L. Lee

Dear Tricia:

Thank you very much for coordinating this years NOCALL book drive. The books that were donated - many of which were new - are exactly the type of books that we need.

In addition to books, we also received monetary donations totaling \$565.00. An employee from the Menlo Park office of O'Melveny & Myers LLP donated \$100. The employees of the San Francisco office of O'Melveny & Myers chose the Children's Book Project to be a recipient of funds raised by their Jeans for Charity and sent \$465.00 to us last week.

As it costs us approximately \$1.00 to place a book into the hands of the child, the monetary donations we received will allow to distribute hundreds of books to children who need them.

The need for children's books has increased due to the present state of the economy. Many more teachers and community workers than in the past are coming to us for books to either use in classrooms or to give as gifts to children or to parents to read aloud.

Thank you for helping us to fill the tremendous need for children's books.

Sincerely,

A handwritten signature in cursive script that reads 'Vicki Pollack'.
